Elementary Football Night

10.01.21

Parents,

This is a reminder of our Elementary Football night at our home game Friday, October 1st vs St. Andrews Academy. I need all elementary football players (Flag and Junior pro) to meet me under the goalpost by 7:10 pm. We will run out in front of the Varsity team to start the game. Please have your child wear their uniform (game jersey and pants for Junior pro, shorts and game T-shirt for flag).

Our players will also perform at halftime. At the end of the first quarter, I need all of our players to meet me under the goal post closest to the baseball field to get ready. Our flag football coaches will handle the flag games along with Coach Callaway and Coach Wilkinson. The players will all play for a few minutes and they will all be recognized. The announcer will call out the names of each child as we are playing.

Thank you for your help!
